SUMMER CAMPS AT BLOOM EARLY EDUCATION 2025

Join us for a fun summer of adventures with classic children's books.

Each camp opens a world of reading, storytelling, engaging activities, and fun with friends!

July 7th – 11th

The Little Engine That Could Train Adventure

Hop aboard for a journey of perseverance and teamwork! Campers will engage in train-themed activities like building train tracks, playing "conductor," and working together to "push" through challenges, just like the Little Engine.

July 14th – 18th

Mixed-Up Chameleon Animal Exploration

Inspired by Eric Carle's colorful book, this camp focuses on animals and colors. Campers will create animal masks, go on color hunts, and engage in interactive storytelling that encourages exploration of different animals and their habitats.

July 21st – 24th

Chicka Chicka Boom Boom Coconut Tree Fun

Based on the classic alphabet book, this camp is all about learning the ABCs in a fun, lively way. Campers will engage in letter-themed activities, including building their own coconut trees, creating letter crafts, and playing games that promote early literacy.

July 28th – August 1st

The Very Busy Spider Farmyard Fun

Inspired by Eric Carle's story, this camp explores the life of a busy spider and the animals she encounters. Activities include creating spider webs, exploring the farm with animal-themed games, and learning about insects and animals.

August 4th – 8th

The Kissing Hand Kindness Camp

Based on Audrey Penn's heartwarming story, this camp focuses on building friendships, sharing kindness, and comforting one another. Campers can create their own "kissing hands," engage in group activities that promote kindness, and learn how to support friends during tough moments.

August 11th – 15th

If You Give a Mouse a Cookie Camp

Inspired by Laura Joffe Numeroff's book, this camp features a series of "what if" activities—like baking, crafting, and playing games that tie back to the chain of events in the story. Each day offers a fun new adventure, just like the mouse's endless requests.

August 18th – 22nd

The Adventure Friends River Day

This camp invites adventurers to explore the world of Gnarwhal, Rodypus, Shreddy Bear, and Stokeasaurus. Activities could include boat-building crafts, river-themed games, and outdoor adventures that encourage imaginative play and exploration of friendship.
